Getting there by car and parking

Parking spaces are available in the underground car park of the "KII/Schauspielhaus". There are two ways to reach the underground car park:

- From the south via Berliner Allee (coming from Cologne). When entering the Kö-Bogen tunnel, please keep to the right immediately to follow the signs to the "KII/Schauspielhaus" car park.
- From the north via Hofgartenstraße (coming from Düsseldorf airport). When entering the Kö-Bogen tunnel, please keep to the right immediately to follow the signs to the "KII/Schauspielhaus" car park.

The Dreischeibenhaus is located directly opposite the exit on the ground floor of the car park. A concierge will welcome you at the reception on the ground floor and show you the way to LGT on the 22nd floor.

If you have been advised of a parking space directly in front of the building, please proceed as follows:

Access to the outdoor parking spaces is provided via Goltsteinstraße/Bleichstraße. As soon as you reach the forecourt of the Dreischeibenhaus, drive to the outside bollard on the right. Ring the bell to announce yourself to the concierge, who will open the entrance to the outside parking spaces for you. You will now find the parking spaces number 3 and 4 of LGT to your left.

Arrival by public transport

From Düsseldorf main station, take the underground lines U70, 74, 75, 76, 77 or 78 in the direction of Krefeld/Neuss to Heinrich-Heine-Allee. From there it is only a short walk of about ten minutes.
