Getting there by car and parking

Cologne's Rheinauhafen can't be missed due to its central city location directly on the Rhine. You will find public parking spaces in the "APCOA Parkhaus Rheinauhafen", Harry Blum Platz, 50678 Cologne.

- From the south: Take the A4 motorway to the Köln-Süd exit (towards Cologne city centre) and stay on the B51. The entrance to the underground car park is about 200 metres after the Südbrücke bridge on the right-hand side.
- From the north: Take the A3 motorway to the Köln-Zentrum exit (in the direction of the city centre) and stay on the B51 until you reach Bayenturm. Then turn to the left (U-turn) at the first opportunity (traffic lights) and use the next entrance to the underground car park.

Arrival by public transport

From Cologne main station take underground line no. 16 to Ubiering or bus no. 133 to Rheinauhafen.
